Happiness is in the air, much awaited summer break is here!!!

Keep your child's brain active over break without them knowing they're doing their homework. The major emphasis should be laid on '**Learning by doing'.** So spend these holidays creating a nurturing and stimulating environment filled with fun, frolic and learning as per this talent.

1. Use your time in preparing language skills
2. Strengthen yourself in spoken and listening skills.
3. Remove your hesitation while having healthy talk and Stage performance.
4. Wish your elders, parents daily.
5. Guidance towards effective use of T.V and Mobile.
6. Do not miss to take your child, outdoors in the evening.
7. The holidays homework should be attempts on the fair note-book
8. The objective assignment should be paste on fair note-book.
9. All the students must deposit their holiday's homework within 1st week of July.
