Best Buy To Answer Strengths And Weaknesses Interview Question For Job

Weaknesses: I am very straight forward - I don't think too much before speaking. Also, I never say no to any one for any kind of help.

Example 6 of Strength and Weakness Answer:

Strengths: I am a strong-minded person. Due to this quality, I don't get nervous under the heavy workload. I always admire others strengths and try to learn from their strengths.

Weaknesses: Once I take the work assignment in my hand, I don't take rest or concentrate on any other work until I get the desired result.

Example 7 of Strength and Weakness Answer:

My strength is that I have extremely developed and effective learning and listening skills. Due to these two good skills, I am strongly capable in understanding any process. I am also prompt and sincere.

My Weaknesses: I spend too much time on checking a particular work in a day to ensure the accuracy of the work.

Example 8 of Strength and Weakness Answer:

My strength is, I am very sharp in analyzing the problems. I easily and quickly recognize the problem & the cause of the problem to get the most
